CONTACTS

INDUCTION HOB - “LO” SIGN

Please use only the stove provided. They are specifically made for the induction.

If a “**Lo**” sign appear and the hob is not working, it means it is locked. To unlock it, press the ON/OFF button for a few seconds until you hear a “bip” sound. Now you can use it normally

HOT WATER

Please note that hot water is limited. When finished you should wait about 15-20 minutes for the boiler to recharge.

You are able to take up to 3 showers in a row.

ITALIAN MOKA

The italian moka do not work on induction hobs. To make it work, please put the round reducer (located in the kitchen) on the induction hob first. Than place the moka on it and use the induction hob normally.
